THE TOPIC FOR THE THEMATIC BLOCK IN MARCH 2021 IS WORD

- A team of five international professors will be sharing **Five Pearls** on WORD from the perspective of Literature, Bible, Fine Arts, Theology and Music. **Pearls** are literary, artistic or musical works, theological writings or biblical passages that the subjectivity of the professor finds particularly helpful or illuminating; **monastic wisdom has always known that experience and knowledge cannot be separated**; a key element of our master's program is that the professors will share with the students not only their expertise on the subject, but also their personal link to it.

- The classes can be attended on-line. Registering on-line gives access to the live streaming of the classes and also to the stored videos for later viewing; during the streaming, on-line participants will be able to interact with the professors and with the on-site students via Zoom platform.

- The language is English. The videos will be automatically subtitled in English and a week later in Catalan and Spanish. The videos will be available to all students during 30 days.

The fee is 100€; scholarships are available; don't hesitate to ask.
