THE TOPIC FOR THE THEMATIC BLOCK IN APRIL 2021 IS COMMUNITY

- A team of five international professors will be sharing **Five Pearls** on COMMUNITY from the perspective of Literature, Bible, Fine Arts, Theology and Music. Pearls are literary, artistic or musical works, theological writings or biblical passages that the subjectivity of the professor finds particularly helpful or illuminating; **monastic wisdom has always known that experience and knowledge cannot be separated**; a key element of our master's program is that the professors will share with the students not only their expertise on the subject, but also their personal link to it.

- The classes can be attended on-site or on-line. Registering on-line gives access to the live streaming of the classes. All students have access to the stored videos for later viewing; during the streaming, on-line participants are able to interact with the professors and with the on-site students via Zoom platform.

- The language is English. Two weeks after the lectures, all videos appear subtitled in English, Catalan and Spanish. The subtitled videos are available to all students during 30 days.

The fee is 100€; scholarships are available; don't hesitate to ask.
