# THE TOPIC OF THE SINCLÈTICA SPRING LECTURES 2022 IS DESIRE

- A team of eight international professors will be sharing **Eight Pearls** on DESIRE from the perspective of Science, Literature, Politics, Bible, Fine Arts, Philosophy, Theology and Music. **Pearls** are scientific, literary, artistic or musical works, theological writings or biblical passages that the subjectivity of the professor finds particularly helpful or illuminating. **Monastic wisdom has always known that experience and knowledge cannot be separated.** A key element of our master's program is that the professors will share with the students not only their expertise on the subject, but also their personal link to it.
- The lectures can be attended on-site at our Monastery or on-line. Registering on-line gives access to the live streaming of the lectures and also to the edited videos for later viewing; during the streaming, on-line participants will be able to interact with the professors and with the on-site students via Zoom platform.
- The language is English. The videos of the lectures will be made accessible to all students during 30 days. Two weeks after the lectures, fully reviewed subtitles in English, Catalan and Spanish will be made available.

The fee is 150€; scholarships are available; don't hesitate to ask.
